CACHOW/DTLINEN/Peripheral Connections

REF: HQA-2759

1. DTLINEN's West German balloon base operators are under strict instructions not to work for other organizations and/or individuals. We do not want their security jeopardized unnecessarily by serving two masters.
2. It is requested that CACHOWDER be advised not to engage the services of any of the three base operators. In the event CACHOWDER has worked out some arrangement with the Hof base operator, please inform us of the particulars. We want CACHOWDER to take proper disciplinary action if the situation warrants.
